

Signage: To approve design and to consider costs and options for signage placement

The play area signage has been redesigned taken into account the decisions made as per minute 20/79 to allow dogs onto the grass area of the playing field, for rules to be updated disregarding those that are implied by law – e.g. Damage / Hours / Motorbikes; removing the age limit of the playing field and organised ball games as a written rule (the area is too small for a pitch.) The rules on No Alcohol / Drugs to remain and to encourage use of bins.

The below signage is a proof that would be sent to a sign maker to produce (I have asked that the sign maker ensure that the red circles with lines through are proportionate against all rules and a clearer graphic of the 'no disturbance rule' is needed. Sign makers usually have access to software which will allow them to make these tweaks.

The first sign draft is for the main playing field in Hopwas. A sign legally needs to be displayed at each entrance for the contact details.

Currently there is a sign with outdated contact details on the vehicular gate at Nursery Lane, the existing rules are displayed separately on a nearby post mounted sign (beyond economic repair.)

The two existing signs may be replaced with just one at the Nursery Lane end. This can be on the vehicular gate or could be an eye level post mounted sign at the entrance

An additional sign on the pedestrian gate to the field would be recommended as the playing field can also be approached from the A51 and the Red Lion carpark.

Hopwas Playing Field

No alcohol / drugs
to be consumed

Please put litter in
the bins provided

No disturbance
to residents

Please report any issues to: clerk@wiggintonandhopwas.co.uk

In case of emergency call 999

Hopwas Playing Field, Nursery Lane, B78 3AS

The second sign draft is for the play area within the Playing Field in Hopwas. This sign will need to be displayed prominently at the entrance to the play area. This can be done by affixing the sign to the pedestrian gate or for greater visibility can be displayed at eye level by post mounting.

Hopwas Play Area

No alcohol / drugs
to be consumed

No smoking

Please put litter in
the bins provided

No dogs (except
assistance dogs)

No disturbance
to residents

**PLAY AREA IS TO BE USED BY CHILDREN AGED 14 OR UNDER
CHILDREN MUST BE SUPERVISED BY A RESPONSIBLE ADULT**

Please report any issues to: clerk@wiggintonandhopwas.co.uk

In case of emergency call 999

Hopwas Playing Field, Nursery Lane, B78 3AS

The third sign draft is for Comberford Millennium Green the existing sign has outdated contact details and does not display any of the playground rules. As the play area is managed by the Parish Council, we need to ensure the contact details are updated however only CMG trustees can decide on any amendments to their current rules.

The main rules are depicted on this draft signage. There is also a sign affixed to the gate with the existing rules detailed which would remain.
